OUR PROFILE

Established in 1999, from 2004 as MTD Contractors LTD, we have a proud heritage in providing high-quality refurbishment and fit out services to hotel, commercial, retail and leisure environments across the UK and Europe.

We have acquired an excellent reputation for professionalism, quality of work and attention to detail, which we value and continue to build on. These aspects are becoming increasingly important in all areas of the construction industry today.

MTD Contractors Limited provides high-quality refurbishment and fit out services to hotel, commercial, retail and leisure environments across the UK and Europe.

Who we are: MTD Contractor Ltd

Our location: Paddington, London, W2 1JG

Working across: England & Eastern Europe

Sectors: Hospitality, residential, offices, leisure & attractions, retail

Services: Hotel refurbishment & fit-out, new build, hotel maintenance, residential refurbishment and new build

OUR SERVICES

We demand excellence, deliver on our promises and continuously search for new and better ways to provide the best solutions for our customers.

We engage in a variety of construction services in providing fitting out from shell and core, CAT A & B fit-outs, strip-outs and refurbishments working with the very fabric of the building - partitioning systems, structural modifications, upgrading M&E services, providing bespoke joinery and metalwork, equipment and furniture.

A project programme is created to manage trades and undertake all aspects of the project. Our site operational teams are professional, experienced and compliant with all regulations and legislation. Our management ensure constant communication between all parties from the client, consultant groups, planning departments, building control. Regular meetings are held to identify and resolve complexities, and keep clients informed.

MTD Contractors LTD will offer cost-effective and practical solutions to maintain your budget and construction programme. Our aim is to handover with zero defects and to provide seamless transition when the client takes possession of their premise.

Our Competencies

Procedures and Quality Assurance

In order to continually improve the way in which we operate in delivering high quality projects, we benchmark every aspect of our work and carry out detailed audits to measure the performance of our supply chain and the quality of workmanship.

Health & Safety and Insurance

We are compliant with all Health & Safety regulations applicable to our work as a minimum standard of safety and welfare. We have a culture promoting safe working.

We provide continuous training to all staff and site employees for areas such as first aid, fire, asbestos awareness, and anything else deemed appropriate.

Our preferred supply chain and sub-contractor network undergo a comprehensive competency check before their services are engaged by us, verifying compliance with Health & Safety and ensuring adequate levels of insurance cover. All site personnel are also required to undergo CRB checks.

Environment

We continually look for improvements in all aspects of our work and recognise our obligation to minimise damage to the environment, we constantly strive to be environmentally responsible and to reduce our carbon footprint.
